GLOBAL LEADER IN
BROADCAST SOLUTIONS

- Broadcast Newsroom
- Broadcast Production
- Broadcast Distribution
- Broadcast Monitoring
- Broadcast Security
- Broadcast Storage

AS A VERIFIED AUDIO VISUAL SUPPLIER TO IBC 2021 FOR THE 14TH SHOW RUNNING, WE OFFER DEDICATED ONSITE SUPPORT. OUR PERSONNEL HAVE A WEALTH OF EXPERIENCE IN SHOW AND VENUE KNOWLEDGE TO ENSURE A SMOOTH EXPERIENCE DURING YOUR EVENT.

Experienced Suppliers

We have over two decades of experience delivering the highest-quality audio visual and lighting equipment and service to exhibitions worldwide.

Equipment

We own one of the largest fleets of quality audio visual and lighting equipment in the UK, including the latest LED wall displays and Multi-Touch products. We offer no obligation quotes and all-inclusive pricing to allow our clients the room to create their own bespoke solutions.

Worldwide Support

At 4Wall we support our clients around the world and are the official supplier to many major shows. We have a global network of local, approved and trusted audio visual suppliers as well as 13 4Wall locations around the world. We are also certified with ISO 20121 – the British Standard of Sustainability.

Service

4Wall's service is second to none and our full team of specialised technicians offer support for the duration of every show. Our dedicated technicians are experienced in dealing with clients in a professional and informed manner and have a technical ability which is proven and unsurpassed.

LED

With one of the largest fleets of LED in Europe, our wide range of LED products gives you the ultimate in design flexibility. Choose from curve, edge, flat, floor, corner and transparent LED at a range of pixel pitches from 1mm to 7mm to add limitless creativity to your stand design with a pixel perfect result.

4K & LARGE FORMAT SCREENS

Get the highest resolution screens available on the market with our range of 4K screens from 22" to 103". With four times more detail than full HD, 4K screens have over 8.3 million pixels in each image, and are available in any size, including our 98" 4K large format screen .

TOUCH SCREENS

Our fleet contains a wide-range of touch screens, kiosks, tables and interactive overlays for large-scale LED walls and large format screens. Boost your audience engagement with high-resolution touch screens featuring interactive content.

GLOBAL LEADER IN BROADCAST SOLUTIONS

VIRTUAL SOLUTIONS

We can offer virtual solutions to add your exhibition booth, as well as our dedicated AV service and support, including video calling in meeting rooms, integration of virtual and physical audiences via our virtual platform and filming, live streaming, **green screen set ups** and **broadcasting to remote audiences**.

SEAMLESS VIDEOWALL

As a leading specialist in the design, installation and maintenance of videowalls, we have an extensive fleet of videowall screens, including Samsung UE55, Samsung UE46 and Samsung UD55E. With a superslim bezel these seamless screens transform traditional videowalls into a stunning, barely-there finish.

INTERACTIVE

Interactive event technology boosts audience engagement and satisfaction, and we have the tools and expertise to make your stand fully interactive **as well as safe**. We can add audience measurement tracking tools, touchless screens using phone screens and gesture tracking.
