## VIRTUAL SOLUTIONS

We can offer virtual solutions to add your exhibition booth, as well as our dedicated AV service and support, including video calling in meeting rooms, integration of virtual and physical audiences via our virtual platform and filming, live streaming and broadcasting to remote audiences. You can also film and stream content to camera pre-event at our unique virtual event set, Studio 19 located at the luxury Royal Lancaster Hotel London.

## SEAMLESS VIDEOWALL

As a leading specialist in the design, installation and maintenance of videowalls, we have an extensive fleet of videowall screens, including Samsung UE55, Samsung UE46 and Samsung UD55E. With a superslim bezel these seamless screens transform traditional videowalls into a stunning, barely-there finish.

## INTERACTIVE

Interactive event technology boosts audience engagement and satisfaction, and we have the tools and expertise to make your stand fully interactive and safe. We can add in audience measurement tracking tools, touchless screens using phone screens and gesture tracking.
