KEY FEATURES

- **True 8K Resolution**

With more than 33 million pixels, Samsung QLED 8K Q950R gives you an amazing pixel-less viewing experience. It's real 8K resolution.

- **4 times the resolution of 4K**

See the bigger picture and not the pixels with 4 times the resolution of 4K. Get closer with enhanced colours, texture and skin tones.

- **QLED 8K technology upscale non-8K content to a much higher resolution**

The Samsung QLED 8K Q900R's AI upscaling technology analyses the source video and recreates accurate information about each pixel, including the image texture, edge definition and level of detail. This allows it to upscale every detail to 8K resolution.
